STARTED AGAIN BY GRAND LAKE SKY-FLYERS.

Three Celina aviators came down out of the clouds Saturday long enough to help pilot a fleet of automobiles from Toledo to St. Marys, en route to Celina.

One of the fly-motors, if the term is free of penalty to the writer and exists no reflection on the principal, is Miriam Cramer of Painesville, Miss., recent classmate of Mary Gertrude Panck at the Cincinnati conservatory, which she deserted in order to enter the Celina aviation school. During a temporary stop for lunch in St. Marys, Miss Cramer called at the Louis A. Panck residence.

Others of the birdmen are Billy Brock, head of the flying squad, and Henning Holt, of Copenhagen, Denmark, a student at the school.

Less spectacular, though no less substantial members of the motor car party are Harmon Cron, of the Celina firm handling the automobiles and Clarence Cron, bringing the total to five. Advice how he manages to grab help out of the clouds to haul machinery over the clouds, Harmon Cron says that the aviators have their repair shop at his establishment. He says four additional cars are coming through—St. Marys Evening Leader.

Prevent Diphtheria.

A sore throat is a good breeding place for Diphtheria germs. Protect your children by never neglecting a Sore Throat. You can wisely depend upon TONSILINE. Give TONSILINE upon the first appearance of Sore Throat—don't give Diphtheria a chance in that throat in its weakened condition. When TONSILINE is swallowed it comes directly in contact with the diseased surface and induces a healthy condition of the membrane—then the system can better defend the throat if attacked by Diphtheria germs. Keep TONSILINE in the house where you can get it quick when needed. 25c., 50c. and \$1.00.

A Strong Argument

PAYMENT BY CHECK is simply a precaution by which you INSURE yourself against loss of money, inconvenience in making change, and the possibility of being short-changed or receiving counterfeit money.

You are also absolutely protected against a second presentation of the same bill, for the canceled check, bearing the creditor's signature and always available at the bank, constitutes the very best kind of a receipt, and there is no danger of it being lost.

These facts appeal to intelligent people.
